

PRINCIPAL - MR STEPHEN JOSEY Issue 8, 3rd June, 2016

Last Friday was just fantastic! Another awesome Under 8s day. Thank you to Carol, her team and all staff and parents involved in the organisation of such a wonderful day. Under 8s day has become an important and embedded activity in our school calendar. Community events such as these are crucial to building and strengthening our school culture. Burrowes is a great school.

On Under 8s day Jim Chalmers, Federal member for Rankin and Cameron Dick, Health Minister and State member for Woodridge presented a cheque for \$18000 to go towards refurbishing the kitchen in the hall. This is a great

Report Cards and Academic Parade

Report cards will go home on the last day of term. Due to tight timelines we are unable to release reports earlier. Our Academic Parade will be on the last day at 9am, Friday June 24. Parents are welcomed to attend.

Chappy Week

We will be celebrating Chappy week during the last week of school. Chappy has a selection of activities planned over the week. On the Wednesday, June 22, we will be having a free dress day and as it is the day of the second State of Origin the theme will be Blue and Maroon. Students who choose to participate must bring in a gold coin donation,

Sports Days

The weather is working against us with regards to our Sports Days. Yesterday had to be moved to today, we will endeavour to go ahead with the planned program on Monday but please be advised that the weather could cause us to postpone or cancel the sports activities.

To and From school

Students need to be aware that students going to school in the morning and going home in the afternoon are representing our school and risk being suspended for fighting or other inappropriate behaviour during these times. **It takes years to build a school's reputation and seconds to knock it down. How the wider community see us is the responsibility of all staff, parents and students.**

P and C

Our next P and C meeting is scheduled for 9am in the school resource centre on Monday June 13. All are welcome. We really need to recruit some more volunteers. The canteen needs help through the week, we need parents to assist with running a BBQ. If you have some time to spare we would love to have you apart of the P and C team.

School Uniform and Attendance

In order to maintain the high standards of academics, behaviour, attendance and uniform I ask that parents play an active part in ensuring their students are at school every day, in proper school uniform and are encouraged to behave and focus on their learning. If every parent focusses on their children and every teacher focusses on their class then our school will have the best attendance, behaviour and uniform and this will translate into the best academic results for our students and our school.

We have processes in place to support our uniform, if you are unable to meet the standards of our school please contact the class teacher or the office and we can discuss ways to move forward.

During winter it is important that students wear the school \$40 (Special deal 2 for \$70) or \$18 dollar school jumper. Students must wear black shoes and white socks and have a school hat.

Uniform Requirements: From the Uniform policy.

Parent Contact Details Not Accurate?

Please make sure your contact details are current and kept up to date. It is important to keep information accurate in case of emergency or illness. At times it can be quite stressful for our Administration staff when they try to call home or ring mobile numbers that are disconnected or switched off when contact needs to be made. Please assist us by keeping your address and contact details correct at all times to save the headaches and stress on our office staff.

Uniform Shop News

Reminder, school hats are available for \$10 from the Canteen every Tuesday, Wednesday, Thursday and Friday, during tuck-shop opening times.

The uniform shop is open:

Tuesday mornings between 9:00am – 9:30am

Friday mornings between 9:00am – 9:30pm

Outside of these times, uniforms can be ordered through the office, as long as you know sizes and leave the correct amount of cash. Please see the office ladies for assistance.

School jumpers are available from as little as \$18 (V neck pull-over style). There are also a couple of zip front options starting from \$25. The uniform shop is offering a super special on the new style jumpers. You can buy 2 for \$70. Otherwise they are \$40 each.

We encourage all students to wear a school jumper, particularly as the weather is **becoming cooler**. So please, if you haven't already done so, invest in a Burrowes State School jumper, they not only keep your students warm, they also look fantastic!

Stronger Communities Programme Grant Success!!

Some months ago, I applied on behalf of Burrowes State School P & C for a Federal Government Grant to upgrade the current kitchen area in the hall. Our application has been successful to the value of \$18,000. The school is also investing some funds towards this project. The deadline for completion of this project is January 2017.

YOU CAN DO IT!

Persistence and Organisation.

We are continuing to learn about PERSISTENCE and we're developing some great skills such as:

Showing persistent behaviour even when a task is difficult.

Saying 3 things to ourselves to help us be persistent:

"I can keep trying even though it's hard"

"I always do my best"

"The more I try, the better I get"

Help your child understand that effort improves results. Point this out when you child achieves something due to hard work and persistence

Dollarmite Wallet

When children join the program they receive a Dollarmites deposit wallet and a Playbank money box, along with a range of fun, engaging materials to help them learn and encourage them to save.

What's School Banking?

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits.

Run through participating primary schools nationally, children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens which they can redeem for exciting rewards.

It's also a great fundraising activity, with participating schools receiving 5% of every individual deposit made at school (up to \$10), along with other benefits.

School Banking

Yay our school banking rewards have finally arrived, all rewards should now be up to date. School bank is every Wednesday, just drop off your bank books to the tuck shop, our banking coordinator will process the banking,
