Our school has four main rules, students are safe, are responsible, are respectful and are learners. On assemblies I have spoken to students and told them that Learners are readers. Reading is the fundamental skill to all that we do in life, from reading our favourite stories, reading a manual to work out how to fix something to filling out forms, reading is crucial. Reading underpins all other learning areas. Our school has entered the Premiers’ Reading Challenge, from May 16 to August 26. Our students are encouraged to read as many books as they can. Students need to record every book that they read in class and at home during this period to be eligible for a certificate. I would like to encourage every student to participate and encourage parents to get behind and support their children.

Fence

We have been advised by Education Queensland to put in a 15 metre portion of a black fence across the back of the school across the area where the path leads up to our back fence. We have further been advised by Education Queensland that we are unable to put a gate into the fence in this instance, as we need to avoid the school becoming a thoroughfare from the back of the school to Third Avenue. At the moment the smaller fence does not discourage people from entering the school from the back and can become a safety issue when people jump over the small fence to enter the school. This issue has been discussed and endorsed at the last P and C meeting.

At this stage there are no plans to extend the black fence.

Prep Enrolments

If you are a current family with prep age siblings and you haven’t notified the office for next year could you please do so as soon as possible. Our prep enrolment process for 2017 has begun, if you know of any new families with prep age children who live in our catchment could you please encourage them to make contact with the school as a matter of urgency.

School Uniform

Can I encourage families to ensure that students are wearing the correct school jumpers? Alternative coloured jumpers take away from the overall look of the school uniform. Next term we will be focussing back on school hats. We have a policy at school – no school hat, no play. If your child does not have the appropriate school hat could you please attend to this as soon as possible?
Report Cards and Academic Parade

Report cards will go home on the last day of term. Due to tight timelines we are unable to release reports earlier. Our Academic Parade will be on the last day at 9am, Friday June 24. Parents are welcomed to attend.

Chappy Week

We will be celebrating Chappy week next week. Chappy has a selection of activities planned over the week. On Monday he will be selling ice creams from the canteen, Wednesday, June 22, we will be having a free dress day and as it is the day of the second State of Origin the theme will be Blue and Maroon. Students who choose to participate must bring in a gold coin donation, money raised will go towards the Chaplaincy program. Students need to ensure that they wear appropriate closed in shoes and have a hat. There is also a competition running where students can guess how many jelly beans there are in a jar. Each guess is 20c.

Junior Sports Days

The weather is working against us with regards to our Sports Days. Junior Sports Day will be on next Thursday. Thank you for your understanding in this matter.

P and C

Our next P and C meeting is scheduled for 9am in the school resource centre on Monday July 18. All are welcome.

Enjoy the weekend.

WHAT IS THE NATIONAL DATA COLLECTION?

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with.

The national data collection counts students who have been identified by a school team as receiving an adjustment to address a disability under the Disability Discrimination Act 1992 (the DDA). The DDA can be accessed from the ComLaw website at www.comlaw.gov.au.

In 2016, the data collection will occur in the first week of August. If you do not wish for your child to be included in the national data collection please contact the school in writing.

For more information please visit www.education.gov.au/nationally-consistent-collection-data-school-students-disability
SCHOOL WATCH

Over the holiday periods we encourage the community to assist us in looking after our great school.

YOU CAN DO IT!

Hi everyone! We are sure that all of your children have shown great PERSISTENCE they certainly have needed the skills we’ve been learning.

We have been identifying different times and places where we need to be persistent and practising how we will think, feel and behave. Remember that persistence means:

To keep on trying even when things seem hard or they are not fun.

Using positive self-talk to tell ourselves “If I put in the EFFORT then I will succeed”

Don’t do for your children what they are able to do for themselves.

Focus on your children’s positives and think twice before commenting on their negatives.

TUCKSHOP NEWS
TUCKSHOP WILL BE CLOSED ON THE LAST DAY OF THE TERM: FRIDAY 24TH JUNE.
Burrowes SS Rugby League Report

While the 2016 season started out with mixed expectations these soon changed.

After three rounds we were 1 win, 1 draw and 1 loss.

The teams start to games was often inspiring and it was great to watch them run the ball and break the defensive line regularly.

Through the middle part of the competition the team showed determination and grit to hold out rivals at the back end of games.

A five game winning streak gave the boys great confidence and their season could have become anything.

Unfortunately the season finished with loses to Harris Field SS in the last round, the eventual competition winners, and Chatswood Hills SS in the semi-final for 3rd position.

A big thanks must go to Mrs Nicole Vennis for supplying the boys with their ½ time Snakes and full time oranges.

Also, Mr Gray’s efforts in getting the team up and going early in the season was appreciated.

Thanks to all the boys for their efforts throughout the season. Now, we must look forward to next year and look to improve on our efforts in 2016.

What’s been happening?

Chappy Week (Last week of term)

Chappy Week is an annual event run by SU QLD to raise awareness of the value of school chaplains… and to raise funds to support school chaplains. Schools and communities get on board, hosting special events and taking to the streets for their ‘chappy’.

At Burrows State School, we will be having a fun week to raise funds to support our schools Chaplaincy Service.

**MONDAY - Gold Coin Iced Cream Cone with Sprinkles**

Bring a Gold Coin to school and get an iced cream from the Tuck Shop at second break.

**WEDNESDAY – State Of Origin, Free Dress Day (Gold Coin)**

Bring a gold coin in to school to give to your teacher, and dress up as your favourite state of origin team.

**FRIDAY – Jelly Bean Jar Announcement**

On the last day of school, we will be announcing the winner of the jar of jelly beans. The student who guessed the closest, wins the jar for their family. The winner must be at school on the Friday to collect their prize.

Get Involved!

We are always looking for volunteers to assist with running our weekly breakfast club. If that is you please do not hesitate to get in contact with me via the school.

**Do you have any old uniforms?**

We are looking to gather old (good condition) uniforms for our school, to pass on to families / kids who are new to the area and in need of uniform clothing. This would be provided through the school chaplaincy service to the community. Clothing items donated would then be accessed by Chaplain Aaron when needed.

If you have any Items you wish to donate, please see our wonderful staff in the school office.

I hope everyone has had a great holiday break and enjoys their well-earned time off.
